

Growing Together

27 January 2026

Dear Parents and Carers,

I am delighted to share with you the wonderful news that Trinity All Saints CE Primary School has been formally recognised for the excellent outcomes achieved by our disadvantaged pupils in the 2024/25 academic year. On Friday 23<sup>rd</sup> January we received a letter of congratulations from Bridget Phillipson, the Secretary of State for Education, acknowledging that our school's performance places us among the very best nationally - a truly significant achievement.

This success is a testament to the dedication and hard work of our staff and the determination of our pupils. It reflects the ambition and commitment that underpin everything we do at Trinity All Saints, where we endeavour to ensure that all pupils thrive and **'grow into the very best versions of themselves'**. I am incredibly proud of our pupils for their achievements and would like to extend my sincere thanks to our staff for their dedication to nurturing and supporting all our pupils

I would also like to express my gratitude to all parents and carers for your continued support and partnership with the school. Your involvement is vital in helping us provide the best possible opportunities for every child to succeed.

Since September 2024 we have been on a journey to develop the very best practices in teaching and learning and to develop a deeply engaging curriculum for our pupils and it is wonderful to see the impact of this. We are continuously developing our practise and expertise and we look forward to engaging actively with regional networks and collaborating with other schools to sustain and build on this excellence, particularly in supporting disadvantaged pupils. The Secretary of State's letter encourages us to share our experience and best practice with others and to continue leading the way in supporting improvement across the wider education community.

Thank-you once again for your ongoing support. Together, we will continue to strive for the highest standards and the very best outcomes for all our pupils here at Trinity All Saints Primary School.

Yours sincerely,

Dear Rachel,

Congratulations to you and your team on the excellent outcomes the disadvantaged pupils at Trinity All Saints CofE VA Primary School achieved at the end of the 2024/25 academic year. Your school's performance places it among the very best nationally, and this is a significant achievement.

This success reflects the dedication of your staff and the hard work of your pupils. It shows what can be achieved when ambition and commitment come together. Thank you for everything you do to give children the best possible opportunities to succeed.

Your school's achievements demonstrate what is possible, and I hope you will continue to share your experience and best practice with others. Even the strongest schools can go further. We encourage you to lead the way as a system leader - sharing effective practice, championing networks, supporting collaboration, and helping raise standards across the sector.

There are real opportunities available for you to support improvement for a wider group of pupils including through:

- engaging actively with your region's RISE networks and partnering with nearby schools and trusts;
- contributing to regional roundtables and professional communities to spread the approaches that are working in your context; and
- sustaining excellence by continuing to focus on disadvantaged pupils

Please pass on my thanks and congratulations to your staff and pupils. I look forward to working with you as we strive together to raise standards for all.

*Your sincerely,*

*Bridget*
