

School Vision and Values

'Growing Together'

'Growing Together' is our school motto; it reminds us that we must all work together to **GROW** into the very best versions of ourselves.

VISION

We believe that there is no ceiling to what a child can achieve. All children deserve the opportunity to **GROW into the very best version of themselves and our ambition is to support all children in our school to achieve this.**

Our vision is underpinned by the Parable of the Mustard Seed.

*"The kingdom of heaven is like a **mustard seed**, which is the **smallest** of all **seeds** on earth. Yet when planted, it grows and becomes the largest of all garden plants, with such big branches that the birds can perch in its shade.*

" Matthew 13: 31-32.

In the Bible, the Mustard Seed is often seen as a symbol of faith. The Parable teaches us to have faith in Jesus, faith in ourselves as individuals and faith along our learning journey.

Trinity All Saints children understand that the Parable teaches us:

'We can all GROW to be GREAT in God's love'

When children start our school, they are like the tiny mustard seed and as they move along their learning journey, we work hard to provide them with every opportunity to flourish and grow into the very best versions of themselves ready for the next stage of their learning journey.

Christian Values

Our School's values seek to underpin the Christian belief that we are all God's people and that we all matter. We treat every child with the dignity and respect they deserve as children of God. We believe that everyone within our school family should be valued and treated with love and respect and that each of us has the right to grow and become the best version of ourselves. Likewise, we believe that we each have a responsibility to show respect and tolerance towards each other. Our shared core values are central to what we believe within school and permeate our daily work, interactions, relationships and the decisions we make.

Our School Christian Values are Fellowship, Thankfulness, Respect, Reverence, Peace, Hope, Trust, Service, Justice, Forgiveness, Endurance, Friendship, Wisdom and Compassion. These values are taught across the school year and are linked with parables and stories relevant to the Church calendar.
